Agarwal, CA, Rishabh Jain

Schedule: Tuesday, 14th March, 2023 to Tuesday, 21st March, 2023 from 11.30 a.m to 1.30 p.m.

Platform: Microsoft Teams

No. of Participants: 130 Approx.

The Department of Accountancy and the IQAC in collaboration with WRC of ICAI organised an International Level Online Faculty Development Programme titled Pathway to Modern Accounting Era with an aim to upgrade the teaching, training and research skills of accountancy teachers - especially those teachers who have not had an opportunity to acquaint themselves with recent developments in teaching.

The resource persons were mainly Chartered Accountants and experts in their respective fields. The topics of the FDP ranged from IFRS, Impact of budget on taxation, Trading on stock market to GST Update, Forensic Accountancy, etc. which are very relevant to the current scenario. There was a Question-Answer round after each session and the participants enthusiastically asked their doubts. The response to the FDP was overwhelming and the participants attended from all over the country including states like Rajasthan, Gujarat, UP, MP, Delhi, etc.

ABOUT INTERNATIONAL SCHOOL OF MANAGEMENT EXCELLENCE (ISME), BANGALORE

ISME is a leading business school offering excellent education through a student-focused culture of excellence, international outlook, entrepreneurial thinking and industry alignment. It was founded in 2006 by alumni from Carnegie Mellon University, Purdue, and Wharton, USA. ISME has been ranked as one of the top B-Schools in Bangalore and top 1% B-Schools in India. At present ISME offers undergraduate, postgraduate and doctoral programs in Management.

ISME Bangalore is the recognized Research Centre of University of Mysore. ISME also offers Fellow Program in Management recognized by AICTE. The doctoral programs at ISME are designed to cater the scholarly needs of working executives, managers, faculty members, researchers and entrepreneurs. The objective of the doctoral programs is to develop scholars for higher level careers in management research and teaching, practice, consulting, training and development and new business creation. The faculty members and scholars of ISME undertake industry focused research that has a meaningful impact on academia and international business environment.

ABOUT THE FDP

The FDP offers a deep dive into the multifaceted world of management, highlighting the myriad challenges faced by organizations of all sizes and industries. The speakers will equip the participants with the knowledge and tools needed to thrive in today's competitive landscape.
