ISME

**Bachelors in Computer Application (BCA)
International Study Program, Singapore**
NEP (National Education Policy) based full-time courses affiliated to Bangalore University

APPLY TO ISME

Admission to the BCA program at ISME is highly competitive. The Admissions team reviews applications on an individual basis looking at both quantitative and qualitative aspects of an applicant's professional and academic background. An elaborate selection process is followed to ensure quality enrolment.

Eligibility

Candidates who have completed any 2-year Pre-University course of State Board / CBSE/ ICSE/IB with Science or Computer Science background with minimum 60% marks are eligible for admission into the BCA program. All applicants for BCA degree should have proficiency in oral and written English communication.

General Criteria

Applicants are selected on the basis of their predicted grades. Final admission is based on the cumulative assessment of the Class XII results & a personal interview.

Selection Process

Stage 1: Complete BCA Application Form (online/walk-in)

Every applicant seeking admission to ISME needs to complete the Application Form, (https://isme.in/ug) attach the required documents.

Stage 2: Personal Interview

Stage 3: Admission Decision

Based on the review of the application and the recommendation of the interview panel, the admission committee invites selected students for admission to the program. Admitted candidates are sent the Admission Offer letter. The admission would be final only after the receipt of confirmation of Admission Acceptance from the candidate and the payment of the registration fee. Fee once paid is non-refundable.
