An Action Taken Report (ATR) on curriculum feedback at the International School of Management Excellence (ISME) is a document summarizing the steps and decisions made in response to feedback received from various stakeholders including students, peer group faculty, alumni, and parents. This report serves as a crucial tool in the continuous improvement process of the curriculum and overall educational experience at ISME. It typically outlines the feedback received from each stakeholder group, identifies common themes or concerns, and details the specific actions taken by the school administration or curriculum development team to address these issues.

The ATR may include initiatives such as curriculum revisions, adjustments to teaching methodologies, enhancements to student support services, or updates to facilities and resources. Additionally, it may highlight any ongoing monitoring or follow-up plans to ensure the effectiveness of implemented actions. Ultimately, the Action Taken Report reflects ISME's commitment to actively listening to its stakeholders and continuously striving to enhance the quality and relevance of its educational programs.

Action Taken Report on Student Feedback

Sl.No	Suggestion	Action Taken
1	More practical sessions need to be included, so that we (students) are industry ready	The faculty members were instructed by the head of institution to conduct more practical oriented sessions
2	It would be more interesting if we had study field trips	Field trips/industrial visits are conducted by the college from time to time

Action Taken Report on Alumni Feedback

Sl.No	Suggestion	Action Taken
1	Keep the syllabus always updated by consulting the industry experts of what is industry relevant	From time to time, talks, seminars, Guest talks with the industry experts of what is industry relevant are organized order to familiarize the students with the changing trends in the industry
2	Practical aspects in the syllabus needs to be included which can help students to start their own business or to get good job as soon as they pass out.	The institution conduct activities throughout the academic year which give the students a perspective of various aspects of job industry or entrepreneurship.
3	More focus should be on presentation skills, public speaking, and confidence in saying something in public or on stage.	The Employment Cell of the College has been organizing Mock interviews, to prepare the students to face the interview

		either during the campus interviews or on graduating
--	--	--

Action Taken Report on Faculty Feedback

Sl.No	Suggestion	Action Taken
1	Incorporate industrial and practical orientation into the syllabus	
2	Revise the syllabus according to the recent market requirements.	

Action Taken Report on Parents Feedback

Sl.No	Suggestion	Action Taken
1	Basic concepts of Accounting such as accounts, journal, ledger, adjustments, bank reconciliation and finalization need to be very clear, practical knowledge may not be available, however solving examples based on concept clarity is required. This will help reduce time to do actual accounting work and need for prolong training	Tally courses are regularly conducted by the Institution.

The Action Taken Report (ATR) demonstrates the International School of Management Excellence's proactive approach in addressing feedback from stakeholders regarding curriculum enhancement. By implementing measures such as organizing talks with industry experts, integrating practical aspects into the syllabus, and conducting mock interview sessions, the institution is committed to providing students with a well-rounded education that aligns with industry needs and prepares them for future career endeavors. The ATR reflects ISME's dedication to continuous improvement and ensuring the holistic development of its students.
